Madison College's Wolfie visits, celebrates student opportunities

Pardeeville High School recently welcomed a special visitor when Wolfie, the Madison College mascot, stopped by to visit his good friend, Barney the Bulldog. While Wolfie was excited to spend some time with Barney, his visit also highlighted the many opportunities available to PHS students through the school's partnership with Madison College.

During his visit, Wolfie received a tour of Pardeeville High School from Barney, met with PHS Principal David Bell and

Voters to decide on facility referendum on Nov. 3

Proposal would address needs in middle school and district kitchen

Voters in the Pardeeville Area School District will consider a \$13.1 million facility referendum on the Nov. 3 ballot.

If approved, the proposed project would include demolition of the Balliet Building, which currently houses the District's fifth-grade classrooms and is not connected to the rest of the Pardeeville Middle School building. A new addition would be constructed directly onto the Middle School and would include four class-

rooms, a new cafeteria and changing rooms for middle school athletics. The project would provide students with a safer, more secure learning environment while addressing longstanding facility challenges.

The referendum would also provide funding to remodel the District's kitchen and Pardeeville High School cafeteria. The District's kitchen serves meals to students throughout the District as well as St. John's Lutheran School and CO-MAN School in Portage.

Community members can learn more about the proposed project and referendum on **pages 5 and 6 of this newsletter** or by visiting the PASD 2026 Facility Referendum website at pasdwi.org/planning/2026-facility-referendum.cfm.

Building to new heights

Pardeeville Elementary School 1st graders work together to build towers using plastic cups and popsicle sticks during Library Skills class with Mrs. Houslet and Mrs. Rohwer. Working in small groups, students developed a building strategy before beginning a timed challenge. After 3 minutes, they paused to observe their classmates' designs and rethink their approach before getting six additional minutes to continue building. The hands-on STEAM activity encouraged students to practice fine motor skills, problem-solving, communication and teamwork while seeing their ideas take shape, one cup and popsicle stick at a time.

Fall parent-teacher conferences will be Oct. 29

The Pardeeville Area School District will host its Fall Parent-Teacher Conferences from 11 a.m. to 7 p.m. on Thursday, Oct. 29. Parents and guardians are encouraged to take advantage of this opportunity to connect with their child's teachers, learn more about their academic progress and discuss ways to support their continued success.

Parents of Pardeeville High School students and Pardeeville Middle School students in grades 7-8 may drop in during the conference hours to meet with their child's teachers. No appointment is necessary for these grade levels.

Parents of Pardeeville Elementary School students and Pardeeville Middle School students in grades 5-6 will need to schedule a conference in advance with their child's homeroom teacher. Information about how to reserve a conference time will be sent home with students as the conference date approaches.

Whether dropping in or scheduling an appointment, parents are encouraged to make time for this important opportunity to partner with their child's teachers and stay connected to their education.

Mission statement:

The Pardeeville Area School District, a caring, community-based learning organization, will provide all students an education that is a lifelong asset through active participation with family, business and community in a positive and challenging environment.

MESSAGE FROM SUPERINTENDENT AMBER DENURE

New school year brings many opportunities to our students

As the days get shorter and the temperatures get cooler, students across the country are settling in for a new school year. Pardeeville students are no different. It has been an exciting first few weeks: our fall sports teams, including cross country, football, and volleyball, have been competing against Trailways opponents. Clubs like drama, FFA, and student council have been planning their activities for the year. Several classes have taken field trips to places such as Upham Woods, Devil's Lake and Expeditions Unlimited.

Academically, teachers have been hard at work helping students learn classroom routines to set the stage for the deep learning that will occur this year. Pardeeville students routinely score above state averages in both math and English. Additionally, our students have many opportunities to advance their education by participating in Advanced Placement and Dual Credit courses at no cost to them or their families. These courses offer students college transfer credits.

New this year is the Bulldog Market, a food, clothing, and school supplies closet available to all students. Located in the middle school next to Mrs. Sturtevant's office, the Bulldog Market is open after school for students who need a meal for the evening or the weekend. The market provides simple dinner items like cereal, soup, macaroni and cheese,

spaghetti, peanut butter and jelly, and pizza. If you would like to donate, please bring items to the drop-off bin located just inside Door 14. We also accept monetary donations to purchase items as our inventory runs low.

The District has a Facilities/Capital Referendum question on the November ballot. Just like your home, our facilities need constant maintenance. Sometimes, renovation is necessary. The Board of Education does its best to allocate budget dollars for both maintenance and programs (like those mentioned above), but state funding continues to fall short. You should have received a full-color special newsletter at the end of September detailing the needs and costs. To learn more about the Facilities/Capital Referendum on the November ballot, please visit our website at pasdwi.org.

The Board of Education and District Staff remain committed to helping our students reach their potential both inside and outside of the classroom. And, as always, we are thankful for your support as we continue to work to provide every child in our community with a top-notch education.

Very sincerely,

Mrs. Amber Denure, Superintendent
Pardeeville Area School District

WOLFIE FROM PAGE 1

Pardeeville Area School District Superintendent Amber Denure, and visited with students who are taking advantage of Madison College opportunities.

Through its partnership with Madison College, Pardeeville High School currently offers nine dual-credit courses. These courses allow students to earn college credit while still in high school, at no cost or minimal cost to students. The courses are taught by Pardeeville High School teachers and include:

- Biotech Lab Skills — Mrs. Seichter
- Biotechnology Applications — Mrs. Seichter
- Biotechnology Career Seminar — Mrs. Seichter
- Intro to Reading and Study Skills — Mrs. Holland
- Intro to College Writing — Mrs. Holland
- Intro to Education and Teaching — Mrs. Serstad
- MS Office for Business Apps — Ms. Haugen

- Mathematical Reasoning — Mr. Duffy
- Medical Terminology — Mrs. Sheeks

Pardeeville High School also offers students the opportunity to pursue one of 18 different Early College Technical Diplomas through Madison College. These programs provide students with career-focused opportunities in areas ranging from early childhood education and carpentry to emergency medical technician, nursing, marketing and social media. Five PHS students are currently taking courses through these programs.

The impact of these partnerships is already significant. Thirty-four members of Pardeeville High School's Class of 2026 earned a combined 609 early college credits by the time they graduated last May. Those credits represent approximately \$97,000 in future college tuition savings for Pardeeville graduates.

Partnerships like the one between Pardeeville High School and Madison College give students the opportunity to get a head start on college and career goals while still part of the PHS community. And, as Wolfie and Barney discovered during their visit, it makes for a pretty great partnership, too!

Staff members recognized for outstanding work with students

PASD's yearly awards handed out at beginning of school year

The Pardeeville Area School District began the 2026-27 school year by recognizing three staff members whose dedication to students, families and colleagues has made a lasting impact.

When staff members returned in late August to prepare for the new school year, Pardeeville Area School District Superintendent Amber Denure announced the recipients of this year's Teacher of the Year and Support Staff of the Year awards.

Pardeeville High School Counselor Crystal Huset and Pardeeville Elementary School second-grade teacher Betsy Bergman were named Co-Teachers of the Year, while Pardeeville Middle School Special Education Aide Jaime Gosda was selected as Support Staff of the Year.

The awards are particularly meaningful because the recipients were chosen based on nominations submitted by district staff members and community members. Those nominations highlighted the positive impact each honoree has on the students and families they serve.

One middle school staff member praised Gosda for her dedication to students, noting that, "Her dedication and tireless work ethic make a meaningful difference. She builds trust, fosters confidence, and creates a positive environment where students can thrive."

Bergman's nomination from a community member highlighted her willingness to work closely with students and families to help children overcome challenges and celebrate their successes.

"My son just completed her class this past year, and WOW, was she amazing!" the nominator wrote. "She worked with me to help my son become successful in small tasks that were hard for him to accomplish. She never gave up on him and continued to celebrate each small accomplishment he

made!"

Huset was similarly recognized for the support she provides to students and families in her role as a high school counselor.

"Since Day 1, she has been welcoming, supportive, and has gone above and beyond her role," a community member wrote in Huset's nomination. "She has been our No. 1 contact in the school district and has assisted us in many ways."

The nomination went on to describe the important support Huset provided to the family during a difficult time, adding, "We are so grateful that this staff member has been our daughter's counselor since moving here and believe she is very deserving of the Staff Member of the Year award."

Together, the nominations paint a picture of three educators and support staff members who consistently go above and beyond to help Pardeeville students succeed.

New staff members join Bulldog family for 2026-2027 school year

The 2026-27 school year has brought some new faces to the Pardeeville Area School District. We are pleased to welcome a group of new staff members and student interns who joined our schools over the summer and as the new school year got underway.

From supporting students in the classroom to helping keep our schools running smoothly, these new members of the Bulldog family bring a variety of talents, experiences and perspectives to the district. We are excited to have them on our team and look forward to the contributions they will make throughout the school year.

Joining the Pardeeville Area School District this year are:

Kim Bradley — Middle School Administrative Assistant

Brenda Dahlke — Middle School Reading Interventionist

Lauryn Damon — Middle School Special Education

Teacher

Kayla Gray — High School Math Teacher

Karleen King — Middle School and High School Choir Director

Jax Rataczak — Middle School and High School Physical Education Teacher

Ashley Ledlow — Special Education Student Teacher

Maddy Anderson — Physical Education Intern

Rebecca Kirklin — Agri-Science Intern

We are excited to welcome these new educators, staff members and student interns to Pardeeville. Their knowledge, energy and dedication will be valuable additions to our schools as we work together to support our students.

Please join us in welcoming our newest members of the Bulldog family and wishing them a great school year.

\$13.1 Million | Why Now?

In April 2025, district residents voted “yes” to approve an operating referendum and “no” to a \$23.5 million facilities referendum. The District worked to come up with a new plan to address existing facility challenges, listening to the community’s feedback on utilizing the operating budget.

Since then, a number of updates have been made, including:

Majority of Middle School roofing

Key fobs and upgraded cameras

Secure entrance at Elementary School

High School greenhouse

While we have completed many improvements, **there are still significant needs that cannot be addressed** through the operating budget alone.

Current Needs

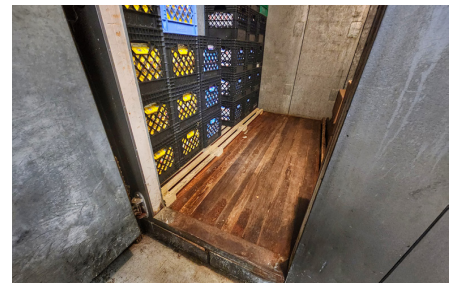

Balliet Building

Fifth graders are in the Balliet building, which is on the Middle/High School site but separate and disconnected from the main building. It is aging and needs significant, costly repairs. Simply repairing it would not address its lack of ADA compliance and dedicated classroom and cafeteria space.

Middle School Cafeteria

Due to a lack of space, Middle School students have lunch in the multipurpose room and have limited time to get their food and eat. The kitchen staff has to serve food out of a previous storage closet.

District Kitchen

The District Kitchen serves the entire district and also has contracts with St. John’s and COMAN (Columbia-Marquette County Adolescent Needs) School. It is small, outdated, and much of the original equipment is from the 1960s and doesn’t always work.

Flip page for more information.

\$13.1 Million | Proposed Plan

Our proposed plan addresses our current needs and takes community feedback to prioritize the following two projects while keeping a referendum under \$15 million into account.

Balliet Demolition, Middle School Classroom, Cafeteria Addition

\$9.9 million

- ✓ Replaces three Middle School classrooms and adds a fourth
- ✓ Creates a dedicated cafeteria
- ✓ Creates flexible large-group instructional space
- ✓ Adds changing rooms & restrooms

High School Cafeteria & District Kitchen Renovation

\$3.2 million

- ✓ Renovates and updates cafeteria
- ✓ Updates District Kitchen that serves all students
- ✓ Makes loading dock more accessible
- ✓ Updates nearby restrooms

Estimated Tax Impact

FAIR MARKET PROPERTY VALUE	FACILITIES \$0.67 per \$1,000 for 21 years Cost per year

Members of the Pardeeville High School Band, led by Zach Jacobson, play at the Watermelon Festival at Chandler Park on Saturday, Sept. 12.

Pardeeville students lend a hand at Watermelon Festival

Pardeeville High School students played an important role in helping make the 58th Annual Watermelon Festival at Chandler Park a success on Saturday, Sept. 12.

The Bulldogs' community involvement began Friday morning, Sept. 11, when junior and senior members of the Pardeeville High School football team headed to Chandler Park to help festival organizers prepare for the big day. The student-athletes pitched in with setup, helping get the park ready for the games, activities, entertainment and other festivities that would welcome the community on Saturday.

On Saturday, Sept. 12, members of the PHS Student Council continued the Bulldogs' community service by running the carnival-style games at the festival. Student Council members helped keep the games running throughout the event while interacting with festival-goers and adding to the fun atmosphere.

The Pardeeville High School Band also helped provide entertainment during the festival, performing a concert set beneath the pavilion. The musicians shared their talents with the community and added some Bulldog spirit to the annual celebration.

The Watermelon Festival is a longtime Pardeeville tradition that brings families, friends and community members together each year. Having PHS students volunteer their time and talents is a great example of the important role our students play beyond the classroom.

From helping set up the event on Friday to volunteering and performing throughout Saturday's festivities, Pardeeville High School students showed what it means to be an active and engaged part of their community. We are proud of these Bulldogs for giving their time, energy and talents to help make a great community tradition even better.

Pardeeville High School is hosting two Pinkout events this fall, including its Pinkout football game on Friday, Oct. 16 against Markesan.

Pink Out events support Prairie Ridge Health Foundation

Pardeeville High School's Spanish Club, along with the volleyball, football and cheerleading programs, is proud to host two Pink Out events this fall in support of breast health awareness.

The first Pink Out will take place Tuesday, Oct. 6, during the home volleyball match against Markesan. The second will be held Friday, Oct. 16, during the varsity football game against Belleville.

The events are held in partnership with Prairie Ridge Health in Columbus, with proceeds benefiting the Prairie Ridge Health Foundation's breast health education and wig program.

This year's fundraising activities include:

- **Pink Out Raffle:** Tickets are \$5 each or five for \$20, with a top prize of \$1,000. Tickets are available from Spanish Club Advisor Sra. Brees, Spanish Club students or at the games.
- **50/50 Raffle:** Tickets will be available during the games.
- **Basket Raffles:** Dozens of themed baskets will be available for a chance to win. Community members interested in donating a basket can contact Sra. Brees at breeki@pasdwi.org.

Fans are encouraged to wear pink and pack the stands to cheer on the Bulldogs while supporting a cause that has touched so many families in our community.

Let's make this year's Pink Out events bigger and better while helping make a difference for those affected by breast cancer.

Veterans Day ceremony and dinner planned for Nov. 11

Pardeeville Middle School and Pardeeville High School will once again come together to honor local veterans with a Veterans Day ceremony on Wednesday, Nov. 11, beginning at 10:15 a.m. in the Pardeeville High School gymnasium.

All veterans and their guests are invited to attend the ceremony as special guests of the Pardeeville Area School District. The ceremony will provide students and staff with an opportunity to recognize and express their gratitude to those who have served our country.

Following the ceremony, veterans and their guests are invited to enjoy a sit-down Veterans Day dinner in the high school atrium. The meal is offered as a small token of appreciation for the service and sacrifices of our local veterans.

Veterans and their guests who plan to attend the dinner are asked to RSVP to Heidi Anderson at 608-429-2153, ext. 211, by Oct. 31.

The Pardeeville Area School District looks forward to welcoming veterans and their guests to this special day of recognition and appreciation.

Jacob Coenen of the United States Air Force was the guest speaker at the Pardeeville Veterans Day Ceremony held last year at Pardeeville High School.

Veterans invited to breakfast, ceremony at elementary school

Pardeeville Elementary School will host its annual Veterans Day Breakfast on Friday, Nov. 20, in the elementary school gymnasium. Veterans and their families are invited to join us for this special event, which will include a breakfast served in honor of our local veterans.

Check-in will begin at 8:30 a.m., with the program starting at 9 a.m.

Veterans who plan to attend are asked to RSVP by Nov. 13 by contacting Amber Hoffman at 429-2151, ext. 110, or by emailing hoffam@pasdwi.org. Please include the veteran's name and the number of people who will be attending.

Pardeeville Schools happy to celebrate School Bus Safety Week

Students at Pardeeville Elementary School learn about bus safety, including how to exit a bus in case of an emergency. Here, drivers from Smith Bus Service, instruct students during a drill held last year at Pardeeville Elementary School.

The Pardeeville Area School District will join school districts across the country in recognizing National School Bus Safety Week, Oct. 19-23. This annual observance highlights the important role school bus safety plays in keeping students safe as they travel to and from school each day.

This year's theme, "Safe Rides, Everyday Heroes," recognizes the dedicated transportation professionals who help make safe and reliable student transportation possible.

The district would also like to give a special shoutout to Smith Bus Service, which provides transportation for Pardeeville students. The dedication and care of the entire Smith Bus Service team helps ensure that hundreds of students arrive at school safely and ready to learn each day. Their commitment to our students and their safety is greatly appreciated.

During National School Bus Safety Week, families are encouraged to review school bus safety rules with their children. Community members can also help by remaining alert and following traffic laws whenever they encounter a school bus.

Together, we can help make every ride a safe ride for our Bulldogs!

Public invited to attend fitness center orientation

Looking for a convenient place to stay active? Members of the community can take advantage of the fitness center at Pardeeville High School.

To gain access to the fitness center, all community members are required to attend a 30-minute orientation session before receiving an access key fob. The orientation covers important safety information, includes a tour of the facility, and provides instruction on how to properly and safely use the available equipment.

Several orientation sessions are offered throughout the 2026–27 school year. Upcoming dates are:

Monday, Nov. 9 — 5:30 p.m.

Wednesday, Jan. 6 — 6 p.m.

Wednesday, Feb. 10 — 5:30 p.m.

Wednesday, April 7 — 6:30 p.m.

Wednesday, June 9 — 5:30 p.m.

There is a one-time \$10 fee for the key fob, which should be brought with you to the orientation session.

To reserve a spot, email Heidi Anderson at andehe@pasdwi.org with your name, preferred orientation date, phone number, and best email address.

Whether you're looking to get back into a fitness routine, maintain an active lifestyle, or simply make better use of the resources available in our community, the PHS fitness center is here to help you reach your goals.

Bulldog Stomp moving to April

Mark your calendars for the 2027 Bulldog Stomp, which will be held on Saturday, April 17, 2027, at Pardeeville High School.

The Bulldog Stomp is an annual community event featuring a 5K run/walk and other activities, with proceeds benefiting the UW Carbone Cancer Center in Madison. The event brings together runners, walkers, volunteers, sponsors and supporters from throughout the area to raise money for cancer research and patient care.

The Bulldog Stomp is traditionally held on the first Saturday in May, but the 2027 event will take place two weeks earlier. More details about registration and the 2027 event will be announced as they become available.

Save the date: Saturday, April 17, 2027.

District taking snow removal bids

The Pardeeville Area School District is now accepting bids for snow removal services for the 2026–2027 school year.

Bid packets are available online through the district's website. Paper copies are also available at the District Office at Pardeeville High School.

Bids must be received in the District Office no later than 3 p.m. Friday, Oct. 16. The bids will be reviewed by the School Board during its regular meeting at 7 p.m. Monday, Oct. 19.

For the bid packet and additional information, visit the district's Requests for Bids & Proposals webpage at pasdwi.org/district/requests-for-bids-proposals.cfm.

MESSAGE FROM PASD SCHOOL NURSE JANETTE SHEEKS

Help your students stay healthy, successful in school

Now that a month of school has already passed, in the nursing office, we are already seeing students with coughs, sore throats, and stomach issues. The best way to always protect ourselves against germs is good hand washing, especially before we eat. Eating a well-balanced diet, three meals a day with snacks, getting plenty of exercise, and a routine bedtime with 8-10 hours of sleep will also be helpful in our fight against germs and viruses. Healthy kids learn more because they are in school.

The school policy is, if your student is ill, they should stay home. It is important to remember, if you take your child to the doctor, or if your child is absent three days or more, that you get a medical note for attendance purposes.

Immunization compliance is a top priority. We must make a report to the state by the 40th school day. Students still need to have their immunizations, and if your student is not compliant, their name goes on a list to the state. Kindergarteners on up have various requirements, so, if your child has received a vaccination since the last time you have given us their immunization record, please let us know.

Historically, diseases such as measles have caused serious illness and taken the lives of members of families and entire communities. Vaccination has helped prevent many of these tragedies and continues to be one of the best ways to protect children and those around them. If your child is not properly vaccinated, they may also be excluded from school if a case of measles or another vaccine-preventable disease occurs. Measles can lead to serious complications and, in some cases, death. With measles cases being reported closer to home, now is a good time to talk with your child's medical provider about vaccination. Keeping your child up to date on recommended vaccinations helps protect your student, their classmates and our broader school community while also helping prevent a potential extended exclusion from school if an outbreak occurs.

May we all have a fun, safe, and healthy year!

Music department gearing up for busy concert seasons

The Pardeeville Area School District Music Department has a busy fall and winter season ahead, with students from throughout the district preparing for several upcoming performances.

The High School and Middle School Fall Concert will kick off the concert season on Monday, Oct. 26, at 6:30 p.m. The performance will feature band and choir students from both schools and will take place at the Lenz Auditorium.

Pardeeville and the Lenz Auditorium also will welcome talented student musicians from throughout the Trailways Conference for the Trailways Conference Honors Choir on Monday, Nov. 16. Students will rehearse from 10 a.m. to 5:30 p.m. under the direction of guest conductor Dr. Matheus Cruz, who is an Assistant Professor of Voice and the Director of Choirs at UW-Stevens Point before presenting a concert at 6 p.m. The concert is free and open to the public.

Pardeeville High School student Ella Rohrbeck, center, sings at last year's Trailways Conference Honors Choir Concert at the Lenz Auditorium. This year's Trailways Conference Honors Choir Concert is scheduled for Nov. 16.

The High School Band and Choir also will perform during the district's Veterans Day Program on Nov. 11, helping honor the men and women who have served our country.

Looking ahead, families are encouraged to save the dates for the district's winter concerts, which will all take place in the Lenz Auditorium:

- High School Winter Band and Choir Concert: Dec. 10 at 6:30 p.m.
- Middle School Winter Concert: Dec. 15 — bands at 6 p.m., followed by choirs at 7 p.m.
- Pardeeville Elementary School Winter Concert and Art Show: Dec. 17 at the Lenz Auditorium. Students in Kindergarten through 2nd grade will perform at 9 a.m., followed by students in 3rd and 4th grade at 1:30 p.m.

With concerts featuring students from kindergarten through high school, there will be plenty of opportunities this fall and winter to enjoy the talents of Pardeeville Area School District musicians.

Pardeeville Drama Club to Present 'Much Ado About Nothing' in November

Drama, rumors, love, deceit and plenty of comedy will take center stage this November when the Pardeeville Drama Club presents William Shakespeare's "Much Ado About Nothing."

Audiences are invited to discover what the Pardeeville Drama Club has been stirring up as they bring Shakespeare's classic

comedy to life at the Lenz Auditorium at Pardeeville High School.

Performances will be held at 7 p.m. Friday, Nov. 13, and Saturday, Nov. 14, with a 2 p.m. matinee on Sunday, Nov. 15.

Come enjoy an entertaining evening—or afternoon—of Shakespearean romance, misunderstandings and comedy!

Lenz Auditorium's season of shows brings variety to Pardeeville

Dual County Band Holiday Concert is free and open to the public on Dec. 5

The Lenz Auditorium at Pardeeville High School continues its 2026–27 season of live entertainment with a lineup featuring music, comedy and special performances.

While several shows have already taken place, there are still plenty of opportunities for community members to enjoy live entertainment close to home. Tickets are available for individual performances, or community members can purchase a season pass for the remaining lineup. Tickets and additional information are available online at pasdwi.org/community/shows-tickets.cfm.

The season continues with the **Dual County Community Band Holiday Concert on Saturday, Dec. 5, at 7 p.m.** The concert is free and open to the public, with seating available on a first-come, first-served basis. No advance tickets are required. A donation of a non-perishable food item to benefit the Wycena Food Pantry is greatly appreciated.

The laughter continues on **Saturday, Feb. 6, 2027, at 6:30 p.m.** with the **Looney Lutherans** and their show, "It Could Be Worse." The trio blends music, comedy and audience interaction in a family-friendly performance centered on humorous life advice. Tickets are \$25 for adults and \$20 for students and seniors.

Blues fans won't want to miss the **Altered Five Blues Band on Saturday, March 27, 2027, at 6:30 p.m.** The award-winning Milwaukee-based group is known for its powerful live performances and original blues sound. Tickets are \$25 for adults and \$20 for students and seniors.

The season concludes on **Saturday, June 12, 2027, at 6:30 p.m.** with **Legends in Harmony**, featuring Gin, Chocolate and Bottle Rockets. The Southern Wisconsin trio of Jennifer Farley, Shawndell Marks and Beth Kille combines tight three-part harmonies with a variety of instruments, including keyboard, accordion, guitar, mandolin and percussion.

Their "Legends in Harmony" show is a two-set multimedia tribute celebrating iconic female artists such as Dolly Parton, Linda Ronstadt and Emmylou Harris. The performance features well-known hits along with a few hidden gems, all delivered through the trio's signature vocal blend. Tickets are \$15 for adults and \$10 for students and seniors.

With comedy, holiday music, blues and classic hits still on the schedule, the Lenz Auditorium's 2026–27 season offers several more chances to gather with friends, family and neighbors for quality live entertainment right here in Pardeeville.

The Dual County Community Band Holiday Concert will be on Saturday, Dec. 5.

The Looney Lutherans and their show "It Could Be Worse," will be at the Lenz Auditorium on Feb. 6, 2027.

A student in Mrs. Saloun's 2nd grade classroom tries her best to get toothpaste back into the tube during a lesson on the importance of using kind words.

Students learn lesson about importance of using kind words

Sometimes the best lessons are the ones students can see, touch and even make a little mess with.

Earlier this school year, Mrs. Saloun's 2nd grade students at Pardeeville Elementary School took part in a hands-on activity designed to teach them an important lesson about kindness, respect and the lasting impact of their words.

One of the most important rules in Mrs. Saloun's classroom is simple: "Treat others with kindness and respect." To help students better understand why that rule matters, Mrs. Saloun gave each student a small tube of toothpaste.

The tubes represented the students' mouths, while the toothpaste represented the words that come out of them. Students were told to squeeze the toothpaste onto paper plates, then faced a challenge: Try to get all of the toothpaste back into the tube.

Armed with spoons, toothpicks and plenty of determination, the students gave it their best shot. They soon discovered what Mrs. Saloun wanted them to understand, the toothpaste was much easier to get out than it was to put back in.

The same is true of our words.

Once something has been said, it can be difficult or even impossible to take it back. Even when someone apologizes afterward, hurtful words can leave a lasting impression.

The activity gave students a fun and memorable way to understand the importance of thinking before they speak and choosing their words carefully. Whether their words are kind and encouraging or unkind and hurtful, what we say can have an impact on the people around us.

Through a little toothpaste and a lot of hands-on learning, Mrs. Saloun's students were reminded that kindness starts with the words we choose—and that some words are much easier to say than they are to take back.

A family affair

Two generations of the Bellis family are helping serve the Pardeeville Area School District this year. Board of Education Clerk Chad Bellis is pictured with his daughter, Pardeeville High School student representative Caitlyn Bellis (right), and fellow student representative Bree Motsenbocker. Each year, one or two PHS students are selected to serve as student representatives at Board of Education meetings. Having Chad and Caitlyn Bellis serving together makes this year especially memorable, giving the district a unique example of two generations of the same family participating in the Board of Education.

Fun, school spirit highlight Pardeeville Homecoming week

Homecoming Week was a fun-filled celebration of Bulldog spirit, bringing Pardeeville High School students together for a week of games, costumes, competition and school pride.

The celebration kicked off Sunday, Sept. 27, with the annual Bulldog Games. Students gathered in the gym as classes competed in eight games to earn points toward the week-long spirit competition. This year's challenges included Ping Pong Toss, Balloon Pop, Scooter Races, Mummy Wrap, Bean Bag Toss, Free Throw Shoot, Slither. io and Hula Hoop Pass.

After the Bulldog Games, students headed outside for the Powderpuff Football Tournament. The senior girls came away with the championship after defeating the juniors. The evening wrapped up with a fun — and very muddy — tug-of-war battle.

The fun continued throughout the week with daily dress-up themes. Students showed off their school spirit for Class Colors on Monday, Group Up on Tuesday, Adam Sandler and Anything But a Backpack on Wednesday, Throwback Thursday and School Spirit on Friday. Students found plenty of creative ways to participate, helping make each day a little more colorful and fun.

Friday brought the biggest day of the week, beginning with an afternoon pep rally on the football field followed by the always-popular Homecoming Parade through the community. That evening, the Bulldogs hosted Cambridge for the Homecoming football game, with the members of the 2026 Homecoming Court introduced during halftime.

The week of Bulldog pride came to a close Saturday night with the Homecoming Dance at Pardeeville High School, giving students one more opportunity to celebrate together and cap off a memorable Homecoming Week.

Bruflat, Hendrickson leading the way for Bulldog runners

The Pardeeville High School boys and girls cross country teams have made the most of the early portion of the 2026 season, competing in seven meets since the season began in late August through the month of September.

The Bulldog girls have been led by senior standout Mariah Bruflat, who has finished third or better in every race through September. Bruflat has four individual victories to her credit, winning the Cam-Rock Invite on Sept. 3, the Poynette Invite on Sept. 10, the Dana Waddell Invite in Marshall on Sept. 15 and the Westfield Classic on Sept. 24.

She also finished second at the Rio Rebel Invite on Sept. 18, missing out on first place by less than one second.

Junior Kenna Jenkins has consistently been Pardeeville's second runner and has also turned in several strong performances. Jenkins' best finish of the season came at the Westfield Classic, where she placed seventh.

The girls team has faced an additional challenge throughout the season with limited numbers. The Bulldogs often compete with just five runners, which is the minimum number needed to score as a team. Despite that challenge, Pardeeville has put together several impressive team finishes. The Bulldogs placed third out of six teams at the Westfield Invite on Aug. 27 and fourth out of 12 teams at the Cam-Rock Invite.

On the boys side, junior Trenton Hendrickson has continued to lead the Bulldogs. A two-time state qualifier, Hendrickson has finished second in three meets this season, placing runner-up at the Westfield Invite on Aug. 27, the Cam-Rock Invite on Sept. 3 and the Dana Waddell Invite on Sept. 15.

The Bulldogs have also received important contributions from some of their younger runners. Freshman Hoyt Kessenich stepped up as Pardeeville's top finisher at the Rio Rebel Invite, placing 11th. At the Westfield Classic on Sept. 24, when Hendrickson was not competing, sophomore Lane Pease led the Bulldogs with a 14th-place finish.

As a team, the boys recorded their best finish of the season at the Rio Rebel Invite, placing second out of nine teams. Pardeeville also finished third at the Westfield Classic and fourth at the Dana Waddell Invite.

With the calendar turning to October, both Bulldog teams are entering the most important stretch of their season. Pardeeville will compete in the Trailways Conference Meet on Oct. 15 in Rio before hosting a Division 3 sectional meet on Oct. 24 at Wyona Park in Wyocena.

Both meets are close to home and provide great opportunities for Bulldog fans to come out, support the runners and cheer them on as they finish the season strong.

Bulldogs open 2026 campaign with 6 straight victories

After finishing last season with just two wins, the Pardeeville varsity football team has turned heads with a strong start to the 2026 season.

Pardeeville entered the month of October with a perfect 6-0 record and was tied with Belleville for first place in the Eastern Suburban Conference, with both teams sporting 4-0 conference records.

One of the biggest highlights of the season came Sept. 18, when the Bulldogs hosted Poynette in a matchup of undefeated teams. Pardeeville came away with an impressive 34-0 victory, continuing its perfect start to the season and making a statement in the conference race.

Senior quarterback Julian Wells has been a key part of the Bulldogs' success. Through six games, Wells has thrown for 1,394 yards and 14 touchdowns with just four interceptions. He has also contributed on the ground, rushing for 154 yards and five touchdowns.

Senior Cody Gentz has led the Bulldogs' rushing attack, averaging 4.2 yards per carry. Through the air, senior Devin Jerome and junior Karrsen Bussan have emerged as Pardeeville's top two receiving targets. Jerome has 637 receiving yards and eight touchdowns, while Bussan has hauled in 45 passes and four touchdowns.

The Bulldogs have also been strong defensively. Bussan and sophomore Erich McManis have led the team in tackles, with McManis also recording a team-high seven sacks. In the defensive backfield, junior Gavin Hughes has made an impact with a team-leading five interceptions.

With three regular-season games remaining, the Bulldogs have put themselves in position for a memorable season. After entering the year looking to build on a two-win campaign, Pardeeville has already matched its win total from a year ago and remains undefeated heading into the final stretch of the regular season.

Pardeeville senior quarterback Julian Wells has been a key member to a Bulldog team that has opened the season with a perfect 6-0 record.

Bulldogs continue to build on volleyball court this season

The Pardeeville varsity volleyball team entered October with a 4-13 overall record and a 1-5 mark in the Trailways West Conference.

The Bulldogs got the season off to a strong start, earning a pair of victories at their season-opening quad on Aug. 25. Pardeeville picked up wins over Orfordville Parkview and Beaver Dam Wayland Academy, giving the team some early momentum as it began the 2026 campaign.

Several Bulldogs have made significant contributions throughout the first part of the season. Haley Gard and Chesney Wickersham led Pardeeville with 50 kills apiece entering October, while Maja Gorska had 46 kills and Adalyn Schultz was close behind with 45.

Gorska has also been a key contributor from the service line, leading the Bulldogs with 18 service aces. Schultz has provided a strong presence at the net, pacing the team with

77 blocks.

Defensively, Kinleyh Anderson and Bri Neuhauser have led the way for Pardeeville. Anderson had recorded 145 digs entering October, while Neuhauser was right behind her with 144.

The Bulldogs also had an opportunity to share their love of volleyball with the next generation of players on Sept. 26, when the Pardeeville High School volleyball teams hosted the 2026 Little Dogs Volleyball Camp. More than 60 young athletes, ages 6-14, participated in the camp, learning fundamental volleyball skills while spending the day with members of the Bulldogs program.

With the heart of the season still ahead, Pardeeville will look to continue developing as a team and finish the season strong both in conference play and beyond.

Alumni cheerleaders return

Pardeeville High School welcomed Bulldog alumni back to their alma mater Friday, Aug. 28, for the annual Alumni Cheer Night. Former Bulldogs joined current students, families and fans in the stands to cheer on the Pardeeville football team as it took on Adams-Friendship.

Alumni Cheer Night is a special opportunity for former students to reconnect with their school and community while showing their support for the current generation of Bulldogs. Thank you to all of the alumni who came back to Pardeeville High School and helped make the night such a memorable one.

Pardeeville winter sports meeting will take place on Oct. 13

The Pardeeville Area School District will hold its Winter Sports Parent/Athlete Meeting on Tuesday, Oct. 13, at 6 p.m. in the Lenz Auditorium. All athletes participating in a winter sport at Pardeeville Middle School or High School, along with their parents, are asked to attend.

If you are unable to attend, please connect with your coach to review the information shared and to pick up any necessary paperwork. Copies of physical and alternate forms will be available at the meeting. Please note that a current physical or alternate form must be on file in the athletic office before practices begin in order for athletes to be

eligible to participate.

Winter sports offered to Pardeeville High School students include; boys and girls curling, ice fishing, wrestling, boys and girls basketball and powerlifting. Winter sports offered to Pardeeville Middle School students include; boys and girls curling, wrestling (grades 5-8), boys and girls basketball (grades 7 and 8) and ice fishing (8th grade only).

The district looks forward to another successful year of Bulldog athletics and appreciates the continued support of student-athletes and their families.

PARDEEVILLE BOARD OF EDUCATION

MINUTES REGULAR BOARD MEETING July 20, 2026

The meeting was called to order at 7:04 pm by Ms. Becky Levzow, Board President. Roll call was taken with the following board members present: Mr. Justin Nickel, Ms. Autumn Pease (virtually), Ms. Karla Walker and Ms. Becky Levzow. Also present were Mr. David Bell, Ms. Amber Denure, Mr. Brad Nugent, Mr. Andy Kohn, Mr. Philip Walker, Mr. Jim Housner, Mr. Rich Fronheiser, Mr. Christopher Sherrick, Ms. Jen Mecum, Ms. Elizabeth Keeling, Ms. Makayla Smith, Ms. Alice Bender, Ms. Sunni Johnson, Ms. Brit-tany Glanzer, Ms. Tony Bundy and Ms. Erica Scholl. Mr. Bret Achterberg arrived at 7:07 pm and Ms. Lynette Ives arrived at 7:14 pm.

Motion to Approve Agenda

Motion by Ms. Walker / seconded by Mr. Nickel to approve the agenda. It was noted that the time was incorrect on the agenda and to be updated. Motion passed 4-0.

Open Forum

Students Ms. Smith, Ms. Keeling, Ms. Bender and Ms. Johnson presented some proposals to the board regarding the drama club. They asked for a bigger budget, to be guaranteed there will be a director for this school year, they asked for better communication between the director, students, as well as with other staff and also asked for extra days for the performances when they occurred. They expressed concerns of possible out of pocket expenses due to possible budgetary concerns. They also wanted to ensure that there was a director in place before the school year due to scheduling of the fall play. The board thanked them for coming to talk about their concerns. Ms. Glanzer talked to the board about paraprofessional compensation concerns that she has noticed and wanted to bring to the board's attention. The board thanked her for her time.

Administrative Team Reports

Ms. Levzow went over the administrative teams reports briefly. Elementary School summer school is going well and their secure entrance update is almost completed. Mr. Nugent was welcomed as the new Middle School principal. The 4th of July parade was mentioned regarding hearing of the different high school groups that walked in the parade. Mr. Fronheiser was welcomed as the new activities director and looked forward to his ideas going forward. Mr. Sherrick was also welcomed

as the new Pupil Services Director and is pleased that he will be addressing the needs of the students. Building and Grounds and Technology departments both have a lot going on over the summer, with projects to be finished by the time school starts.

Report on Crime Statistics

Ms. Denure explained that she is to report to DPI and the board annually on the crime statistics for the school district, and for the criteria that need to be reported, we had no incident in our district.

Referendum Update

It was mentioned that the resolution vote was postponed until 8/3/26 to ensure that all board members were able to vote. Ms. Denure mentioned several projects that were on the original list of things to be completed from the proposed referendum are getting completed, which would be the roof project at the middle/high school and secure entrance at the elementary school. There was a core meeting last week and discussion was had regarding the resolutions as well as communication timelines. Ms. Carol Wirth is working with Quarles and Brady on the resolution information.

Motion to Approve Agenda

Motion by Ms. Ives / seconded by Ms. Walker to approve the agenda. Motion passed 6-0.

There was a moment of silence to honor a teacher that had recently passed away.

Carol Wirth Discussion on Referendum and Resolutions

Ms. Carol Wirth came in and spoke to the board about the ballot language and estimated tax impact to the community. She explained that the borrowing is not locked in to one certain timeframe, but the board will decide when they will borrow and make funds available for the referendum projects. Ms. Wirth explained what a general obligation bond is and talked about the proposed three phase financing structure will make the borrowing bank eligible to assist in the potential of getting low interest rates. Ms. Wirth was thanked for her time and explanations.

Referendum Updates

Ms. Denure went over some of the questions/concerns regarding adding air conditioning to the referendum project. They did look at how many students use the high school gym for classes. Ms. Denure has been talking to staff regarding high school graduation to determine what other alternatives there are; i.e., moving the ceremony up to morning hours or holding it in the Lenz Auditorium. Discussions were had with staff in regards to moving it to the auditorium, but then seating would be limited for families. Ms. Levzow asked Mr. Bellis how he felt about having the graduation ceremony as he will have a senior, and Mr. Bellis stated that he is not thrilled about the idea of limiting seating for families. Ms. Denure also talked about the recent CORE meeting and how talked about future communication strategies and then also set dates for community conversations.
