Infinite Campus to improve data access, communication

Parents asked to enter online info
before the Aug. 7 onsite registration

The Pardeeville Area School District has officially transitioned to Infinite Campus as its new student information system. This updated platform will help streamline communication between schools and families while improving access to important student data.

As part of the rollout, Online Registration is now open for all current PASD families. Through Infinite Campus Online Registration, families can add or update household information, emergency contacts, phone numbers, student health details, and more—all in one convenient location.

District officials are ask-

ing all families to complete the online registration process prior to Registration/Picture Day on Thursday, Aug. 7, 2025.

Registration and school pictures for all 4K through 12th grade students for the 2025–26 school year will take place on Thursday, Aug. 7 in the atrium at door No. 14 at Pardeeville High School.

Registration will be open from 7–10 a.m. and from 3–6 p.m. All 4K–12th grade students will have their school pictures taken during registration. School photos will be

Back-to-School Open House set for Aug. 27

The Pardeeville Area School District will welcome students and families back to school with a district-wide Back-to-School Open House on Wednesday, Aug. 27, from 4 to 6 p.m.

The event will take place at all three schools in the district—Pardeeville Elementary School, Pardeeville Middle School, and Pardeeville High School—giving families an opportunity to visit classrooms, meet teachers, and get a head start on the new school year.

Students are encouraged to bring their school supplies and drop off materials, allowing for a smooth and stress-free first day of school. Whether you're a new Bulldog or returning for another great year, the open house is a great time to get familiar with your schedule, ask questions, and ease into the excitement of a new year of learning.

PASD targets November 2026 for referendum

Following the unsuccessful April 2025 facilities referendum, the Pardeeville School Board has agreed to continue long-range facility planning towards a potential November 2026 election.

Because the April 2025 solution was not supported, the District still faces significant facility needs that were identified during the facility assessment and long-range planning work. These needs cannot be addressed without additional financial resources, including:

- Building systems at the end of their useful life.
- Exterior and interior maintenance and replacements.
- ADA and accessibility requirements.
- Educational capacity, adequacy, and utilization challenges.
- Overall safety of buildings and grounds.

As the Board continues to reflect on and reassess the previous solution for a

potential November 2026 referendum, there will be several opportunities for input in the coming months. These include a parent and staff survey, community workshops and staff and student focus groups, Board updates, and a district-wide community survey.

The District's goal would be to bring forward a solution on the November 2026 ballot that reflects the community's priorities, while also keeping the public informed with regular updates throughout the planning process.

Stay informed about the process by visiting www.pasdwi.org/long-range-planning/ or follow along on the Pardeeville Area School District Facebook page. Watch for upcoming communications and invitations to the fall 2025 community workshops and staff and student focus groups, where the community's input will play an important role in shaping the District's next steps.

Mission statement:

The Pardeeville Area School District, a caring, community-based learning organization, will provide all students an education that is a lifelong asset through active participation with family, business and community in a positive and challenging environment.

Elementary gets new playset

New playground equipment designed for younger elementary students, including those in 4K, was recently installed at Pardeeville Elementary School. The age-appropriate play area replaces older equipment that was removed for safety reasons and now features fresh mulch to help provide a safer and more inviting space for students to explore and enjoy.

For families without internet access, Chromebooks will be available at the school during registration hours on Aug. 7. Devices are also available in the school offices during regular business hours to assist with the process.

Before beginning registration, families are encouraged to gather the following:

- Household information (address and phone numbers)
- Parent contact information (work and cell numbers, email addresses)
- Student information (demographics, health, and medication details)
- Emergency contact information (names, addresses, and phone numbers)

To begin registration, scan the QR code or visit the line shown below.

This is just the first step in the district's move to Infinite Campus. In the coming weeks, the district will provide instructions on how to create and access an Infinite Campus Parent Portal, which will serve as a central hub for student information moving forward.

Thank you for your cooperation as we make this important transition to better serve our students and families.

Trees removed to improve security at Pardeeville Middle School

In an effort to improve student safety and campus security, the Pardeeville Area School District has removed a group of trees located on the north side of the property near the middle school. The wooded area, situated between the football field and the homes on East Chestnut Street, was cleared during the month of July.

The decision to remove the trees was made to address concerns about student supervision and accessibility. During recess, middle school students would sometimes venture into the wooded portion of the property, which posed both safety and visibility issues. In addition, the area served as an easy access point for individuals entering school grounds without permission.

To further strengthen safety measures, the district will be installing a fence in the coming weeks to enclose the middle school playground. This added layer of security will help ensure that students remain in supervised areas and provide greater peace of mind for staff and families.

The Pardeeville Area School District remains committed to creating a safe, secure, and supportive environment for all students.

NHS preparing to induct new members

The Pardeeville National Honor Society will be holding its induction of new members at the end of September or early October. A letter of intent has been sent to potential inductees over the summer. They must choose to complete the required form indicating their service and leadership activities, which is due on Tuesday, Sept. 2.

In September, the Pardeeville National Honor Society Faculty Council, composed of five members of the high school staff, will meet to review the applications and make the final decision for acceptance into this prestigious group. All students are finally contacted by mail indicating whether they have been accepted. The induction ceremony is the last step to the process, with its candle lighting ceremony, conducted by the officers and advisors.

MESSAGE FROM SUPERINTENDENT BENJAMIN HENINGER

Commitment to Pardeeville Schools has never been stronger

In my experience, whether you are a staff member, parent, or student, making preparations for the start of a new school year has always prompted feelings of excitement, longing, and a bit of anxiety. Recognizing the opportunities in learning that awaited me brought a level of excitement which inspired the purchase of some new clothes, shoes, and perhaps a long-overdue haircut. But I always longed to take one more trip up north to visit with relatives, knowing that it might be the last chance before the snow started to fly.

Although anxiety over the uncertainty of what happens next can oftentimes be viewed in a negative way, getting butterflies in my stomach every once in a while reminded me of the joy experienced at learning something new that changed my life for the better.

Speaking of which, I continue to enjoy the many challenges of guiding our District into an uncertain future as we do everything possible to ensure continued access to a high quality education for all students. The support from the community has been nothing short of amazing, with constant donations of time, money, and supplies coming in that directly augment services which benefit our students, staff, and programs.

At the state level, despite the approval (albeit late) of a biennial budget in a deeply divided political climate that does little to address the growing long-term needs of so many school districts like ours across Wisconsin, the Pardeeville Area School District recently adopted a preliminary budget that is fair and balanced, yet requires a noticeably smaller reliance on short-term borrowing than what we've done over the past several years.

Even though we do not currently have the capacity within our existing budget to address the many needs of our aging school buildings, the board has recently taken action to pursue a referendum in support of the findings outlined in the 2023 facilities study. For additional information concerning the initiatives that we weren't able to address as a result of the failed capital referendum in April, please check out page 2 of this newsletter or visit our District website at www.pasdwi.org/long-range-planning for the most recent information. It remains our goal to put forward a plan that the community will support during the November 2026 election, while keeping all stakeholders and the public informed with timely information throughout the process.

Before the 2025-2026 school year officially gets underway, I encourage everyone to slow down, take a few moments to soak up the remaining days of summer fun, and (if you're anything like me) indulge in that final double-scoop from Carol's Cones! If we make time for the experiences that matter now, I have no doubt that it will better prepare us for whatever challenges lie ahead.

Yours in Education,

Benjamin Heninger
District Administrator

Help us show just how far Bulldog pride travels this summer

The Pardeeville Area School District is still inviting families to take part in its popular summer social media campaign, #PardeevilleProud Around the World.

Throughout the summer of 2025, families in the district are encouraged to share snapshots of their summer adventures — whether they're traveling across the globe or enjoying time close to home. These photos will be featured on the Pardeeville Area School Dis-

trict Facebook Page as a way to celebrate the fun, creativity and community spirit of Bulldog families.

To be included, send one to three photos of something fun you've done this summer — anything from beach days to backyard barbecues. Whether you're taking in the sights on vacation or relaxing during a staycation, we want to see what summer looks like for you!

Photos should be emailed to Travis

Houslet, the district's Communications Specialist, at houslet@pasdwi.org. And don't forget: bonus points will be awarded for any family members sporting Pardeeville gear in the pictures!

Help us show just how far our Bulldog pride can travel. Let's make this a summer to remember — and one to share with the whole community!

Spanish Club explores Guatemala, Belize on summer adventure

Eighteen students and four chaperones from Pardeeville High School's Spanish Club had the opportunity of a lifetime this summer as they spent nine days exploring the culture, history, and natural beauty of Guatemala and Belize from June 8–17.

The group began their journey with a homestay in Antigua, Guatemala, where students immersed themselves in the daily life and traditions of the region. Their time in Antigua was packed with unforgettable experiences, including a guided city tour, visits to local markets, and two shopping trips to purchase donations for schools they would visit along the way.

Cultural highlights included salsa lessons, tasting a wide variety of traditional Guatemalan foods, fresh fruits and shakes, and, of course, plenty of locally grown coffee. Students also toured a jade factory, a coffee farm, and a chocolate museum, deepening their understanding of the country's rich cultural heritage.

For the more adventurous travelers, there was the opportunity to climb a volcano—with some choosing to ride

horseback to the summit—and zipline through the jungle.

The group also flew north to Tikal National Park, where they explored stunning Mayan ruins, offering a glimpse into the ancient civilization that once thrived in the region.

The adventure didn't stop there. In Belize, students canoed through Barton Creek Cave, swam in clear freshwater, and later enjoyed time swimming in the ocean and relaxing poolside. They wrapped up their trip by grocery shopping for their final meals at the resort in San Pedro and snorkeling at the breathtaking Mesoamerican Barrier Reef, the

second-largest barrier reef in the world.

The trip was not only educational and culturally enriching but also filled with laughter, bonding, and memories that will last a lifetime.

A special thank you to Señora Brees for organizing the trip and sharing photos to document the group's journey, and to Barb Allen for safely transporting the group to and from O'Hare International Airport.

From climbing volcanoes to swimming in the Caribbean Sea, this trip gave students an unforgettable glimpse into life beyond the classroom—and beyond borders.

Fun-filled Summer School wraps up at Pardeeville Elementary

Pardeeville Elementary School wrapped up its 2025 Summer School Program in June, with students enjoying three weeks packed with hands-on learning and exciting activities. The program ran Monday through Thursday, from 8 a.m. to noon, during the first three weeks of the month.

Open to young learners from across the district, Summer School offered a wide variety of engaging classes designed to spark creativity, build foundational skills, and keep students active during the summer break.

One of the key offerings was Getting Ready for Kindergarten, a class tailored to help last year's 4K students transition into Kindergarten with confidence. This class introduced students to classroom routines, early literacy and math skills, and helped them get more familiar with the school setting.

Students also explored their interests through a range of fun and educational options. Courses included Lego Creations, Science, Computer Fun, Cooking Basics, Scrapbooking, and From Strings to Treasures, offering something for every learner.

Physical activity was also a big focus, with several popular sports classes offered, including volleyball, basketball, track and field, and lifetime sports.

And of course, no Pardeeville Elementary Summer School would be complete without the student-favorite Fishing Class. Students walked all around Pardeeville casting their lines into Park Lake. They reeled in a wide variety of fish, including bluegills, bass, walleyes, carp, and even some impressive catfish — all while learning patience, teamwork, and respect for nature.

The 2025 Summer School Program once again proved to be a memorable and enriching experience for students, offering them opportunities to learn, grow, and have fun in a supportive environment.

Trap-shooting team finds its mark during spring season

The Rio-Pardeeville Trap-Shooting Team was once again one of the largest and most dedicated teams in the area. The Spring 2025 season included 45 student-athletes from Rio and Pardeeville Schools, including eight first-time participants. Despite challenging weather conditions—cold evenings, relentless rain, and gusty winds—the team showed grit and determination, turning in a memorable and successful season.

Of the 45 athletes, 11 earned varsity letters by maintaining a high average score throughout the season. The team capped off its spring campaign with a banquet for athletes and their families, where outstanding performances and team spirit were recognized.

Top Shooter Awards were presented to; Tyler Becker (Pardeeville), Cody Noyons (Pardeeville), Evan Miller (Pardeeville), Landon Gumz (Rio) and Alex Gabsch (Pardeeville).

The Sportsmanship Award, chosen by a vote of fellow team members, was awarded to senior Tyler Becker. Most Improved Shooter honors went to Cooper Verhulst (Rio) and Matthew Roberts (Pardeeville), recognizing their impressive progress throughout the season.

In June, 29 members of the team traveled to Rome, Wisconsin, to compete in the Wisconsin State High School Clay Target League State Tournament. Competing against hundreds of shooters in grades 7–12, the Rio-Pardeeville team had a stand-out showing. Both in the Novice Shooter category and the JV Team category, Rio-Pardeeville brought home 1st place finishes. An additional eight students earned Varsity Letters with high scores at the state level.

The tournament was a highlight of the season, offering a (mostly) dry day, great competition, and a cookout celebration with families and friends.

The Rio-Pardeeville Trap Shooting Team is open to students in grades 7–12 who are in good academic standing and have completed Wisconsin's Hunter Safety Course. To learn more or to register for a Hunter Safety course, visit GoWild Wisconsin and search under "Hunter" and "Columbia" for local class options.

Students interested in joining the team should email Chad Volkmann at rptrapteam@gmail.com to be added to the list for the fall orientation. Please note: signing up at school does not guarantee team membership, as participation is subject to meeting the requirements of the Wisconsin Clay Target League.

Pardeeville FFA shines at Wisconsin State Convention

Luedtke installed as State FFA Treasurer

Pardeeville's own Brooke Luedtke, a 2023 Pardeeville High School graduate, was installed as the 2025-26 Wisconsin State FFA Treasurer at the Wisconsin State FFA Convention held in Madison in early June.

This honor marks the culmination of a lengthy and highly competitive process. To become a Wisconsin FFA State Officer, candidates must meet specific qualifications, apply and be selected as a finalist, then participate in a rigorous, multi-day election process at the convention. This process includes interviews, workshops, and leadership activities, and concludes with an election by voting delegates from across the state. Brooke's induction as a state officer is a testament to her dedication, leadership, and passion for agricultural education and the FFA.

In addition to Brooke's achievement, the Pardeeville FFA Chapter had an impressive week at the state convention:

- Macy Cross and Catie Kopfhamer took the stage to receive the chapter's National Chapter Award, recognizing Pardeeville FFA for outstanding programming and community impact.
- Ava Wagner and Catie Kopfhamer served as chapter delegates, participating in state committee meetings and representing Pardeeville during convention business sessions.
- Celia Kopfhamer and Macy Cross earned their State FFA Degrees, the highest level of recognition the Wisconsin FFA Association awards its members.
- Members had the opportunity to meet and take a photo with Wisconsin Secretary of Agriculture Randy Romanski.
- The Agricultural Issues Team—consisting of Macy Cross, Celia Kopfhamer, Ava Wagner, Catie Kopfhamer, and Brook Schomburg—earned a second-place finish with their presentation on solar farming.
- Macy Cross received third place State Gold honors for her Swine Production Proficiency Application.
- Isabelle Hineman earned third place State Gold for her Outdoor Recreation Proficiency Application.
- Celia Kopfhamer was recognized as a State Three Star Leader, an award given to members who show exceptional leadership and service at the local, state, and national levels.
- The Conduct of Meetings Team—Jaycey Thornton, Chelsea Philbrick-Boeder, Lily Renner, Riley Holland, Matthew Roberts, Parker Gruenwald, and Ellye Schultz—placed 10th in the state in their competition.

From individual achievements to team performances and leadership roles, Pardeeville FFA members once again demonstrated excellence on the statewide stage. Congratulations to all the students and advisors who contributed to an outstanding convention experience.

Pardeeville agriculture teachers earn recognition

The Pardeeville Area School District's two agriculture teachers were recently recognized for their outstanding contributions to agricultural education at the Wisconsin Association of Agricultural Educators (WAAE) Conference.

Mrs. Amanda Seichter received the WAAE State Teacher Mentor Award, a prestigious honor given to educators who provide exceptional mentorship and support to fellow agriculture teachers. Known for her leadership, collaboration, and willingness to share resources and guidance, Mrs. Seichter has made a significant impact not only in the classroom but also across the state.

Ms. Meagan Vujnovich was also honored at the conference, receiving the WAAE Five-Year Tenure Award. This award celebrates educators who have completed five years of service in agricultural education. Since joining the Pardeeville staff, Ms. Vujnovich has played an important role in developing engaging and hands-on learning experiences for students while promoting careers and leadership in agriculture.

The Wisconsin Association of Agricultural Educators (WAAE) is the professional organization that supports agricultural educators throughout Wisconsin. Through advocacy, professional development, and networking opportunities, WAAE works to strengthen agricultural education in schools across the state.

Students attend Educators Rising National Conference in Orlando

Four students from Pardeeville High School had the opportunity to travel to Orlando, Florida during the month of June to represent the district at the Educators Rising National Conference. Attending the event were students Nadia Ballweg, Natalie Peissig, Macy Cross, and Emma Gentz, along with PHS staff members and chapter advisors Mrs. Morgan Serstad and Mrs. Crystal Huset.

The conference brought together students from across the country who are interested in pursuing careers in education. Participants attended workshops, heard from keynote speakers, and competed in events designed to build and showcase their teaching-related skills.

Pardeeville's students did an outstanding job representing both the school and state. Macy Cross and Natalie Peissig were awarded white ribbons in the Interactive Bulletin Board competition, recognizing their achievement among the top competitors in the nation.

Educators Rising is a national organization dedicated to supporting students who aspire to become teachers. The program provides hands-on classroom experiences, leadership development opportunities, and career exploration resources to prepare the next generation of educators.

High School cheer team, band help celebrate Independence Day

The spirit of Independence Day was on full display on July 4th, as the Pardeeville High School Cheer Team and Band proudly represented the school during the annual Pardeeville Independence Day Parade.

The Pardeeville Cheer Team marched the parade route on foot, treating spectators to many of their fan-favorite cheers. The group showed off the same school spirit that fires up the stands during the football and basketball seasons.

Not far behind, the Pardeeville High School Band added a musical flair to the celebration. Under the direction of Mr. Zach Jacobson, the band performed a series of crowd-pleasing tunes while riding aboard a decorated trailer.

Sources of Strength sponsoring Glow Run at Sept. 26 football game

Get ready to light up the night for a great cause. Pardeeville's Sources of Strength student group is hosting a Glow Run during halftime of the home football game on Friday, Sept. 26. The event is open to all elementary and middle school students and will feature a fun half-mile run.

The Glow Run is a family-friendly event aimed at promoting positivity, connection, and community. Sources of Strength members will help lead the run, but parents are encouraged to join younger children on the course. The cost is \$20 per participant, which includes entry into the run, a Glow Run t-shirt, and two glow items. In addition, student participants will receive free admission to the football game.

Participants can begin picking up shirts and glow items at 7 p.m. near the entrance to the football field.

To register for the Glow Run, fill out the form below and turn it into the office at Pardeeville Elementary School or Pardeeville Middle School. For information, or to order additional shirts, contact Sources of Strength Advisor Crystal Huset at husecr@pasdwi.org.

Sources of Strength is a nationwide, evidence-based youth mental health program that focuses on harnessing the power of peer leaders to spread hope, help, and strength. The Pardeeville chapter includes student leaders who work to promote messages of resilience and support through activities and events designed to uplift and connect students of all ages.

Whether you're a runner or a fan, come out to support the cause, enjoy the game, and help our Sources of Strength team shine a little light on the importance of mental wellness and community connection.

Past cheerleaders asked to bring Bulldog spirit to Alumni Cheer Night

The Pardeeville Cheer Team is once again inviting former cheerleaders to return to the sidelines for its annual Alumni Cheer Night. This reunion will take place during the first home football game of the season on Friday, Aug. 22.

All alumni interested in participating should plan to arrive between 5 and 5:15 p.m. on game day and meet in the Multi-Purpose Room. Current team members will lead a refresher session on cheers, chants, and the school song so everyone is ready to perform during the pre-game festivities and first half. To register, please email Coach Sauce-do (saucam@pasdwi.org) or Coach Waldinger (waldma@pasdwi.org). Be sure to include your graduation year, maiden name, and current name.

Save the Date: Pardeeville's 2025 Homecoming Week set

Mark your calendars—Homecoming Week 2025 is set for September 28 through October 4, and it's shaping up to be an exciting time for Pardeeville students, staff, families, alumni, and community members.

Throughout the week, students will enjoy the Bulldog Games, dress-up days, class competitions, and a strong sense of school pride.

On Friday, Oct. 3, the community is invited to line the streets for the Homecoming Parade, which will begin at approximately 2:40 p.m., followed by the Homecoming Football Game that evening as the Bulldogs take on Cambridge under the lights.

The week wraps up on Saturday, Oct. 4 with the Homecoming Dance, where students will celebrate the end of a spirited and memorable week.

Stay tuned for more details as the event draws closer—but for now, be sure to save the dates and get ready to show your Bulldog pride!

The Pardeeville High School Band plays in the 2024 Pardeeville Homecoming Parade. This year's Homecoming parade will take place on Friday, Oct. 3.

ANNUAL NOTICES

ACADEMIC STANDARDS

The Pardeeville Area School District will be using the following academic standards for the 2025-2026 school year which are: Common Core standards for Mathematics and English Language Arts, including the Standards for Literacy for all Subjects. The Wisconsin Academic Standards will be used for Agriculture, Food and Natural Resources, Art and Design Education, Music, Personal Finance, Phy. Ed, Reading, Marketing Management and Entrepreneurship, Science*, Social Studies, Technology and Engineering, World Languages, Business and Info Technology, Early Learning Standards, Health Education, Health Science, and Information and Technology Literacy. *Science will be using Next Generation Science Standards. School counseling will be using Wisconsin Comprehensive School Counseling Model/ASCA.

STUDENT MEDICATION POLICY

All parents are asked to be aware of the district policy statement regarding the administering of medication to students during the school year.

The policy provides for school personnel to administer medication only when certain procedures are followed. Parents of children who require medication to be administered during the school day or who may find that to be the case during the school year, should check with the appropriate principal's office to make sure that authorization is properly provided. A parental approval form must be completed and on file before medication (including aspirin) can be admin-

istered.

Any questions regarding this policy should be referred directly to the appropriate building principal.

STUDENT RECORDS

The Pardeeville Area School District maintains student records for each student attending school in the District. These records include: (1) student progress records – courses taken, grades, immunization records, extracurricular activities and attendance; and, (2) student behavioral records – psychological tests, personality evaluations, records of conversations, written statements relating specifically to an individual student's behavior, tests relating specifically to achievement or measurement of ability, physical health records other than immunization records, law enforcement agency records obtained by the District and any other student records which are not progress records.

State and federal laws require that the maintenance of student records assure confidentiality. The District has also adopted a student records policy and procedures. This notice is subject to state and federal laws and the District's policy and procedures. Accordingly, the following shall apply in the District:

1. An adult student, or the parent(s) or guardian(s) of a minor student, has the right to inspect, review and obtain copies of the student's school records upon request in accordance with established District procedures. The District will respond to such requests without unnecessary delay. Copies of the District's student

records procedures are available upon request at the School District Office, 120 Oak Street, Pardeeville, WI. Regular office hours are 7:30 a.m.-3:30 p.m.

2. An adult student, or the parent(s) or guardian of a minor student, has the right to request the amendment of the student's school records if they believe the records are inaccurate, misleading or otherwise in violation of the student's privacy rights. Complaints regarding the content of student records may be made in accordance with established District procedures. Copies of the District's procedures are available upon request as outlined above.
3. An adult student, or the parent(s) or guardian(s) of a minor student, has the right to consent to the disclosure of information contained in the student's school records, except to the extent that state and federal laws authorize disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials determined to have legitimate educational or safety interests in the records. A "school official" is a person employed by the District who is required by the Department of Public Instruction to hold a license; a law enforcement officer(s) who is individually designated by the school board and assigned to the school district; a person employed by or working on behalf of the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and policy-school liaison personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a specific task (such as an attorney, independent hearing officer, auditor, medical consultant or therapist); or a person serving on an official committee such as a disciplinary or grievance committee, or assisting another school official in performing their tasks. A school official has a "legitimate educational interest" if the official needs to review a student record in order to fulfill their professional or District responsibility. The District also, upon request, forwards a student's records to another school without consent in accordance with state law for purposes related to the student's enrollment or transfer. District procedures outline the specific reasons for disclosure without consent and are available upon request as outlined above.
4. An adult student, or the parent(s) or guardian(s) of a minor student, has the right to file a complaint with the U.S. Department of Education for alleged District noncompliance with federal Family Educational Rights and Privacy Act (FERPA) requirements. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920.

Further, the School Board has designated the following student record information as directory data: student's name, address, telephone listing, date and place of birth, major

field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received and name of school most recently previously attended by the student. This information may be disclosed to any person unless the adult student, or parent, legal guardian or guardian ad litem of a minor student informs the school that all or any part of the directory data may not be released without the prior consent of the adult student, parent, legal guardian or guardian ad litem. The District will not release directory data earlier than two weeks (14 days) after receipt of this notice or the opening of school.

SECONDARY SCHOOL STUDENTS

A secondary school student or the parent(s)/guardian(s) of the student may request that the student's name, school district assigned email address and telephone listing not be released to military recruiters or institutions of higher education without prior written parental consent. The District shall comply with such request.

Unless access to such information has been restricted by the secondary school student or the student's parent(s)/guardian(s) as outlined above, the District shall provide access to secondary school students' names, school district assigned email addresses and telephone listings, on request made by military recruiters or institutions of higher education. The District shall also provide military recruiters the same access to secondary school students as provided generally to post-secondary educational institutions or to prospective employers of those students.

EARLY COLLEGE CREDIT PROGRAM

Junior and Senior students are allowed to enroll in one or more nonsectarian courses at an accredited 2 or 4-year school of higher education while a high school student. Courses must further the student's education academically or vocationally. Students may not take courses that are comparable to ones offered at Pardeeville High School. Our district pays for the cost of tuition, texts, and materials; transportation is not included. Because of cost factors, our district will carefully screen applications for appropriateness and deny payment when deadlines are not observed. To be considered for the Early College Credit Program during the first semester, the application must be submitted to the school board by March 1 of the previous year; for second semester enrollment, the application is due by October 1 of the school year. Students interested should contact their school counselor.

PUBLIC NOTICE OF NONDISCRIMINATION POLICY

The Board of the Pardeeville School District does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX and its regulations, including in admission and employment.

Inquiries about Title IX may be referred to the District's Title IX Coordinator, the U.S. Department of Education's Office for Civil Rights ("OCR"), or both.

The District's Title IX Coordinators are:

Amber Denure- Middle School Principal

SPECIAL EDUCATION NOTICE

The local educational agency annually publicizes information about its special education procedures and services. The local educational agency's special education plan is published annually on the Wisconsin Department of Public Instruction website. The local educational agency identifies, locates, and evaluates all children with disabilities, regardless of the severity of their disability, who are in need of special education and related services, including children attending private schools, children who are not yet three years of age, mobile children such as migrant and homeless, and children who are suspected of being a child with a disability.

The local educational agency locates, identifies, and evaluates all private school children with disabilities, including religious-school children who are residents of the local educational agency. The local educational agency consults with appropriate representatives of private school children with disabilities on how to locate, identify, and evaluate private school children with disabilities. The local educational agency ensures the confidentiality of data collected.

The local educational agency accepts and processes referrals of children suspected to have a disability. The referral must be in writing and include the name of the child and reasons why the person making the referral believes that the

child is a child with a disability. Anyone who has reasonable cause that a child might be a child with a disability can make a referral. Any parent, physician, nurse, teacher, psychologist, social worker or administrator of a social agency has legal duty to make a referral. Before making the referral, the person making the referral must inform the child's parent of their intent to make a referral. If the local educational agency to which the referral is made is the local educational agency the child is attending under the Full-time Open Enrollment law, the local educational agency provides the name of the child and related information to the local educational agency of residence. Whenever the local educational agency receives a referral for a resident child attending school in another local educational agency under the Full-time Open Enrollment law, the local educational agency provides the name of the child and the related information to the local educational agency where the child attends school.

NOTICE TO STUDENTS AND PARENTS DIRECTORY INFORMATION

According to the Board of Education policy, the following items involving students are considered directory information and may be utilized by the school district in the newspaper, in activity and athletic programs, and other school communiques: student's name; activity participation; height and weight in athletic activities; photographs, honors, degrees, and awards; name of school most recently attended; student's grade in school; parent or guardian's name. If any parent/guardian objects to or refuses to permit the District to designate the above listed information as directory information, they should advise the school district in writing via a letter addressed to the District Administrator's office within two weeks after publication of this notice. If there are any questions concerning directory information, please call the District Office at 429-2153.

ANNUAL ASBESTOS NOTIFICATION

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that the Pardeeville Area School District has an Asbestos Management Plan at the school district office. The plan is available for inspection by the public, parents, and district employees. The district performs six month periodic surveillance of asbestos in June and December and full re-inspections every three years. For more information please contact the district office.

2009 WISCONSIN ACT 96 INDOOR ENVIRONMENTAL QUALITY MANAGEMENT PLAN

The Pardeeville Area School District would like to inform staff, students, parents, and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2013 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Questions and concerns should be directed to the IEQ Coordinator. Copies of the plan are available at the district office for a fee. The district office is located at 120 Oak Street, Pardeeville, WI 53954.

LETTER TO HOUSEHOLDS/FREQUENTLY ASKED QUESTIONS - SCHOOL YEAR 2025-26

Dear Parent/Guardian:

Children need healthy meals to learn. Pardeeville Area School District offers healthy meals every school day. Breakfast costs \$2.60; lunch costs \$3.60. Your children may qualify for free meals or for reduced price meals. Reduced price is \$.35 for breakfast and \$.45 for lunch. This packet includes an application for free or reduced price meal benefits, and a set of detailed instructions. Below are some common questions and answers to help you with the application process.

1. WHO CAN GET FREE OR REDUCED PRICE MEALS?

- All children in households receiving benefits from FoodShare, the Food Distribution Program on Indian Reservations (FDPRI), or W-2 cash benefits are eligible for free meals, when listed on the application.
- Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- Children may qualify to receive free or reduced price meals if your household income is at or below the limits on the Federal Income Eligibility Guidelines.

FEDERAL ELIGIBILITY INCOME CHART For School Year 2025-26			
Household size	Yearly (\$)	Monthly (\$)	Weekly (\$)
1	28,953	2,413	557
2	39,128	3,261	753
3	49,303	4,109	949
4	59,478	4,957	1,144
5	69,653	5,805	1,340
6	79,828	6,653	1,536
7	90,003	7,501	1,731
8	100,178	8,349	1,927
Each additional person:	10,175	848	196

- 2. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and have not been told your children will get free meals, please call or e-mail Crystal Huset at (608)429-2153 or husecr@pasdwi.org.
- 3. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD?** No. Use one *Free and Reduced Price School Meals Application* for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: Pardeeville Area School District, Attn: Debbie Holland, 120 Oak Street, Pardeeville, WI 53954 or email to hollde@pasdwi.org.
- 4. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE OR REDUCED PRICE MEALS?** Please read the letter you received carefully and follow the instructions. If your letter indicated you qualify for free meals, then no application is needed. If any children in your household were missing from your eligibility notification, contact Pardeeville Area School District, Attn: Debbie Holland, 120 Oak Street, Pardeeville, WI 53954, phone (608)429-2153x210, email hollde@pasdwi.org immediately. If your household was notified it qualified for reduced price meals, we encourage you to complete an application to potentially qualify for free meals based on household size and income.
- 5. DO I NEED TO FILL OUT AN APPLICATION IF MY CHILD ATTENDS A COMMUNITY ELIGIBILITY PROVISION (CEP) SCHOOL?** If your child attends a school that participates in CEP, receipt of free breakfast and lunch meals does not depend on returning this

application. However, this information is necessary for other programs and may be used to determine if your household is eligible for additional benefits.

6. **MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE?** Yes. Your child's application is only good for that school year and for the first few days of this school year, through 9/5/25, or when a new eligibility is determined. You must submit a new application unless the school told you that your child is eligible for the new school year. If you do not submit a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.
7. **I GET WHO CAN MY CHILDREN GET FREE MEALS?** Children in households participating in WIC may be eligible for free or reduced price meals, but it is based on income. Please submit an application.
8. **MY CHILD PARTICIPATES IN BADGERCARE PLUS OR MEDICAID. CAN MY CHILD GET FREE MEALS?** Children participating in BadgerCare Plus or Medicaid may be eligible for free or reduced price meals, but it is based on income. Please submit an application.
9. **WILL THE INFORMATION I GIVE BE CHECKED?** Yes. We may also ask you to send written proof of the household income you report.
10. **IF I DON'T QUALIFY NOW, MAY I APPLY LATER?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed or experience a financial hardship may become eligible for free and reduced price meals if the household income drops below the income limit.
11. **WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION?** You should talk to school officials. You also may ask for a hearing by calling or writing to: Debbie Holland, 120 Oak Street, Potosi, WI 53954, (608)429-2153x 210, hdhollde@paschool.org.
12. **MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN?** Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.
13. **WHAT IF MY INCOME IS NOT ALWAYS THE SAME?** List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
14. **WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT?** Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
15. **WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY?** Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Do not include any combat pay resulting from deployment as income.
16. **WHAT IF THERE IS NOT ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY?** List any additional household members on a separate piece of paper and attach it to your application.
17. **MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR?** To find out how to apply for FoodShare or other assistance benefits, contact your local assistance office or call 1-800-362-3002.
18. **IF THIS APPLICATION IS APPROVED WILL MY CHILD RECEIVE SUMMER EBT BENEFITS?** Yes. An approved Household Application for Free or Reduced Priced Meals qualifies your household for Summer EBT benefits. More information is available at <https://dhs.wi.gov/school-nutrition/programs/SummerEBT>.

If you have other questions or need help, call 608-429-2153.

Sincerely, Dr. Benjamin Heninger, Superintendent

Middle School students earn honors for third trimester

We are proud to announce that the following Pardeeville Middle School students have made the honor roll for the third trimester. Pardeeville's Gard, Krueger shine at WBCA Senior All-Star Game

Pardeeville High School's Caleb Gard and Brenden Krueger recently wrapped up their high school basketball careers by taking the court one final time—this time as all-stars.

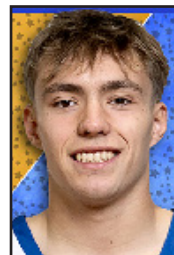

The two 2024 graduates were selected to play in the Wisconsin Basketball Coaches Association (WBCA) Division 4 Senior All-Star Game, held Thursday, June 27 at JustAGame Fieldhouse in Wisconsin Dells. Gard and Krueger were members of the Division 4 Black Team and played well in the showcase event, which brings together some of the top senior talent from across the state.

While their team came up short on the scoreboard, both Bulldogs made their presence known. Gard tied for the team lead in scoring with 13 points, while Krueger added 12 points of his own.

Congratulations to Caleb and Brenden on a great showing and for representing Pardeeville on the all-star stage.

Community can report tips by using SPEAK UP, SPEAK OUT Wisconsin

SPEAK UP, SPEAK OUT allows students and community members to confidentially report tips on potential harm or criminal activities directed at school students, school employees, and schools. The SPEAK UP, SPEAK OUT Resource Center can respond confidentially and quickly to get help to you or to someone who is hurting or struggling.

Created by the Wisconsin Department of Justice (DOJ) Office of School Safety, the SPEAK UP, SPEAK OUT Resource Center is a comprehensive, one-stop place to turn with important concerns, offering a Threat Reporting System, Threat Assessment Consultation, Critical Incident Response and General School Safety Guidance.

Students, parents, school staff, or any community members can submit a confidential tip when they notice unsafe or risky behaviors that might be putting your child, other children, or the community in danger. What could be considered risky behavior? Most tips fall into one of three categories: a student is being bullied or is bullying someone else, a student might hurt themselves, or a student might hurt others.

Tips can be submitted with a smartphone by downloading the SPEAK UP, SPEAK OUT app from the Apple Store or Google Play, by calling 1-800-MY-SUSO-1 to speak to a live, trained SUSO Analyst, or by texting "SUSO" to 738477 to receive a link to our anonymous P3 tip form. Resource center staff work around-the-clock to respond to tips and to deploy a response locally by communicating directly with school administrators, law enforcement, and counselors.

No one signed up.

Referendum Update

Ms. Erka Freeman and Mr. Aaron Zutz from Findorff along with Ms. Kara Albrecht from Groth and Associates who was via video, gave an update on the referendum status for 2026. The board asked questions of better survey options, to which it was stated that there are other vendors and methods that can be used. Discussion of possibly thinking of phasing options was discussed. Also discussion was had of having conversations with other groups, i.e. youth club groups to have them get a better understanding of the needs being addressed by the possible referendum.

Administrative Team Reports

Elementary School-It was mentioned that there were a lot of end of year celebrations and opportunities happening for the students. Middle School-It was also mentioned that there were a lot of celebrations happening, as well as good concerts. The showcase was very nice, as well as the middle school FFA having a great run, and spring athletics succeeding. High School-FFA convention had a lot of success, including a former student becoming a state officer. Lots of successes again in spring sports. Activities-It was appreciated to add the honor roll numbers for the athletes to show that they work hard in their academics. It was asked about the open coaching positions and what can be done to get them filled up. Mr. Hammerschmidt stated that he is working on interviews, but there are a lack of parents as well as staff that want to coach any longer. Also without lower levels of volleyball, those parents aren't confident in coaching something new. Building and Grounds-It was mentioned the department is busy. Technology-Department is busy with all of the end of the year and start of the year processes, as well as getting Infinite Campus up and running.

Discussion of Special Education Programming/Staffing Levels

Dr. Heninger introduced Ms. Annette Lavia, our special education director. She advised that the elementary school only has two special education teachers for 24 students, and doesn't feel that is an appropriate caseload. The school district has a bigger need for more staff than we have ever seen before. Ms. Lavia stated that we have gotten additional referrals for students that have needs and will be adding them to the special education department next school year. The board asked questions about hiring another full-time special education teacher and if this had been talked about earlier during budget planning and staffing plannings earlier in the year. Ms. Lavia stated it was on her radar back in January discussed with Dr. Heninger in May, but not formally brought to planning as it was just in the early stages of development. She wants to pilot a new program, and would need this additional staff to help with that. A teacher in attendance did speak up of

their experience in their classroom this school year and how the need for additional staffing is crucial for those students as well as the teaching staff.

Board Comments & Questions

Mr. Nickel shared concerns regarding logistics of state sport participants and hoped to find support for state and national levels in the future from the district office. Mr. Hammerschmidt went over some of the guidelines used in past practices and budgeting concerns.
